

## EMPOWER Employment Workshop exercise

Discuss with your mentor.

### Topic 1: Employment search and applications

Choose one of two questions, A or B, below. Take 15 minutes for paired discussion

- A. What questions should a job applicant ask herself? - How might this affect her online response to an employment vacancy ad?
  
- B. How do we learn about improving our employment chances? What are some common mistakes when submitting a job application? A clue – what do you always include? What information do you avoid giving?

**Hint:** The websites below explain how to look for key words.
